SAN FRANCISCO, CALIFORNIA 94133

OBJECTIVE

To gain employment as a graphic designer in a fun, creative, and inspiring environment.

EDUCATION

2005 - 2009

San Francisco, CA

Academy of Art University where I majored in Computer Arts New Media

EXPERIENCE

2010 - present

San Francisco, CA

Travelocity offered me an exciting job to join their Creative Design Team. Responsibilities includes maintaining their current brand as well as create and design partner webpages and collateral such as ads, flyers, brochures, direct mailers, and signage.

2008 - 2010

San Francisco, CA

Spitfiregirl Design with Heidi Yarger. Responsibilities include designing logos, icons, websites, various printed materials, and conceiving identities.

2007 - 2010

Oakland, CA

TruKid Skincare offered me a job to launch their new skincare line for children. I designed the entire product line from start to finish as well as create the companys identity.

2007 - 2009

San Francisco, CA

Blueprint Studios. Designed various print collaterals as well as redesign their identity.

SKILLS

I'm pretty good at print & web design, identity design, information design, user interface design, product packaging, motion & infographics, bookmaking, screen printing, photography, video editing, sound composition and 3-D drafting.

I understand HTML, CSS, PHP, and some Actionscript and Javascript.

I know Illustrator, Photoshop, InDesign, QuarkXPress, Dreamweaver, Flash, Final Cut Pro, After Effects, Reason 4, Logic Pro, and Maya.

I can use Mac OSX and Windows XP.
